THORNDALE COMMUNITY HUB & YOUTH CLUBHOUSE

Partner with us to **create opportunities** and **build community** in Thorndale!

Your sponsorship as a partner of I Love Community, the organization that runs I Love Thorndale will not only support youth leadership and keep youth engaged in positive/healthy activities, but you will provide opportunities for community members and others to use the space to establish new interest clubs or hobby groups, giving residents of all ages a place to connect and build community.

We would welcome a chance to explore a partnership that could strengthen our community of Thorndale and provide recognition and promotion for you or your business. Please contact us at info@ilovethorndale.ca to explore this opportunity further. Donations will be collected by the Thorndale Optimist Club and can receive a charitable tax receipt.
